

Therapy Services Credit Card Authorization

We are happy to continue seeing your child for therapy services. As of March 1, 2022, Therapeutic Learning Center (TLC), is requiring all parents to keep a credit or debit card on file at TLC. This will serve as a convenient method of payment for your child's therapy services for the portion of services that your insurance doesn't cover, but which you are liable.

Your credit card information is kept confidential and secure and payment to your card is processed only after the services are rendered. Please complete this form to acknowledge your agreement to continue to receive services with TLC. If you have any questions or would like to set up another form of payment, please contact the office at 504-565-7300.
